EXAMINER'S AMENDMENT

An examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

The references do not anticipate the claimed processes. In addition, the references alone or further in view of each other do not suggest or motivate one of ordinary skilled in the art to prepare enantiomers of formula I by the series of process steps.

Thus, the instant claims are patentable over the prior art of record.
